

2020 Winter Hitting Camp

The Camp is designed to introduce young hitters to the Bulldog offensive philosophy. The camp will teach hitters how to effectively use their bodies in sequence to produce maximum results. Our goal is for offensive players to hit pitches on the barrel to produce hard ground balls and line drives. We will also introduce the Bulldog way of becoming a complete offensive player. Campers will learn through tee work, front toss, and live BP.

Instruction is provided by the Truman coaching staff and current baseball players.

The philosophy of the Bulldog Hitting Camp is to provide a way for young hitters to improve their skills during the offseason.

The Hitting Camp design is subject to change depending on the number of hitters signed up.

Age Groups-grades 4-12 (will be divided into hitting groups of similar grades)
