

2025 Winter Hitting Camp

The Camp is designed to introduce young hitters to the Bulldog offensive philosophy. The camp will teach hitters how to effectively use their bodies in sequence to produce maximum results. Our goal is for offensive players to hit pitches on the barrel to produce the maximum exit velocity possible. We will also introduce the Bulldog way of becoming a complete offensive player. Campers will learn through tee work, front toss, and live batting practice.

Instruction is provided by the Truman coaching staff and current baseball players.

The Hitting Camp design is subject to change depending on the number of hitters signed up.
